Portable Telecommunications Antennas

.....\$2,000.00 per month, or any part thereof, will be assessed for each Portable Telecommunications Antenna temporarily* emplaced. This amount will be in addition to the associated open ground space charge at the maximum non-containerized ground space lease rate, and any other charges imposed by this tariff. For the purpose of this item, open ground space will be any space, improved or otherwise, to include parking space, as deemed appropriate by the Port Director. All Information Technology Department (ITD) requirements must be met before any installation is approved.

*The emplacement of a portable antenna under this tariff provision is with the understanding that the associated lease agreement would be on a month-to-month basis and in effect during the time required to install a permanent-type antenna as approved by the Port Director.
